

JJ Galloway

Maryland, USA

ABOUT

JJ Galloway is an internationally collected artist with regular shows in major cities around the globe including NY, London, Miami, and LA. She sells and licenses her pieces to a range of buyers from small personal collectors to big businesses.

In her work she creates watercolor paintings, oil paintings and sculptures of subjects including foods, people and animals...and any combination of the three! When she's not in studio painting, she's at the Smithsonian where she leads lectures both in the galleries and virtually to a global audience. Her home and studio are in the Annapolis, Maryland area.
